Thanks Rusty. Wasn't sure if he was in office so wanted to be sure I got a response as this is a time sensitive matter.

Moning Nichole,

David Dale, our Southeast Region Essential Fish Habitat Coordinator handles EFH consultations for activities in the offshore Gulf of Mexico. I see you copied him on your information request, so I will leave it to him to respond.

Good morning Rusty,

I am working with Dale on concurrence for EFH for GMG29000 OCS GP. Just wanted to follow up on the status of the review, as our public notice period has ended.
